## GALACTIC

Galactic's first new studio album in more than three years, *ALREADY READY ALREADY* – released on their own Tchoup-Zilla Records – sees the renowned New Orleans based instrumental outfit taking a distinctly contemporary approach towards their own progressive sound, interpolating modern rhythms and electronic instrumentation within the house-shaking framework of the Crescent City's funk pop 'n' roll.

Produced by the band's Robert Mercurio and Ben Ellman, the new LP finds Galactic once again enlisting a diverse array of vocal collaborators to assist in their musical exploration, each of whom lend lyrical flavor and individualistic personality to the band's multi-faceted sonic grooves. Bookended by a high powered pair of trademark Galactic instrumentals that give the album its title, *ALREADY READY ALREADY*. The album is a short, sharp blast of undeniable creative muscle, from the stripped down kick/snap verses of "Going Straight Crazy," featuring New Orleans singer (and YouTube sensation) Princess Shaw, to punk cabaret artist Boyfriend's quirky speed-rap on the breakneck "Dance At My Funeral."

As ever, Galactic's omnivorous musical interests make easy classification utterly impossible – *ALREADY READY ALREADY* is as all encompassing and universal as the band's moniker established long ago.

# FUNK YEAH!

What do a bunch of seasoned musicians do when they are not touring with their bands? Create a 70s funk band of course! The band has a solid pedigree of national touring experience. Tommy Bowes (lead vocals) was the lead singer for Tower of Power for 7 years and was also in Blood, Sweat & Tears. Tom Timko (sax) has played with Blood Sweat & Tears, Toto, Aaron Neville and Gloria Estefan.

Also on sax is Dave Mullen, who has played with Nile Rogers, Gloria Gaynor, Parliament Funkadelic and The Brand New Heavies. Chris Vitarello (lead guitar) was in Butch Trucks & The Freight Train Band. Andy Huenerberg (bass) has played with blues greats Hubert Sumlin & Dave Fields. Rounding out the band are 2 local Maplewood musicians (Lee Finkelstein – drums, Dave Pressel – keys). Lee has been the drummer for The Blues Brothers for over 15 years and has played with Blood Sweat & Tears as well as Tower of Power. Dave has played keys with Gil Parris and Bernie Williams.

## FRIENDS OF BROTHERS

The Friends of the Brothers celebrate the music of the Allman Brothers Band. With members closely associated with the original band, they continue the brotherhood with passion, committed to the ideals of every night being special and unique.

Guitarist/singer Junior Mack has fronted Jaimoe's Jasssz Band for 12 years. Guitarist Andy Aledort played with Dickey Betts for 12 years. Singer Lamar Williams Jr. is the son of the ABB bassist and performed with the band. Singer/guitarist Alan Paul is the author of One Way Out, the definitive, best-selling Allman Brothers band biography based on 25 years of interviewing the band. The band is rounded out by Lee Finkelstein, Dave Diamond, Craig Privett and Eric Finland, veterans of stalwart bands the Zen Tricksters, Original Blues Brothers Band and Joe Louis Walker. Paul and Finkelstein are Maplewood residents.
