

# *JamieSpace-Unique Selling Proposition*

If you're looking for a better way to organize your thoughts and conversations, look no further than JamieSpace.

JamieSpace provides a space that functions like a personal community. You can invite friends, family, colleagues, and others into your JamieSpace.

With JamieSpace, you can store and categorize discussions, notes, links, videos, images files and beyond. It's your "go to" space for things you don't want piled up in your inbox or chat apps.

You've probably been keeping important notes on post-its or scraps of paper—but how often do those get lost? With JamieSpace you know where everything is stored!

Maybe you want to share some inspiration with the world for discussion...or maybe just keep it private between yourself and a friend? Either way, JamieSpace has got it covered!
