Proposal

PREPARED FOR:
Jamie Ross

QUOTE: #54335
ISSUED: 10/8/2018
VALID UNTIL: 11/7/2018

EXECUTIVE SUMMARY

SingleHop is a leading global provider of hosted IT infrastructure and Cloud computing. We are pioneering the global IaaS movement by enabling SMBs and service providers in the design, deployment and management of a wide range of IT solutions. Our proprietary automation platform allows organizations to quickly migrate or deploy workloads in the Cloud.

Over the last decade, our unique blend of automation and service has made us the platform of choice for thousands of clients worldwide.

By integrating our secure global data center footprint, our robust remote management toolkit and our industry leading SLAs, we help clients manage their systems while eliminating their capital expenditures.

SOLUTION SUMMARY

Dear Jamie,

I want to personally thank you for considering SingleHop for your solution. This document includes an overview of our company and process, as well as a detailed summary of our proposed solution. We appreciate you giving us the time and opportunity to share this solution with you.

This proposal for your 2 Servers is based on a 3 year term. SingleHop will provide the Services for a 3 year term, and such term will automatically renew for periods of 3 year unless either Party provides to the other Party written notice no later than ninety days prior to expiration of the then-current term of that Party's intention that the Agreement not be renewed.

This service order is hereby incorporated into the Master Services Agreement for Maplewood Online LLC as an attachment as defined in the MSA.

Please do not hesitate to reach out with any questions or comments. I look forward to the next steps.

Sincerely,
House Rep
